

WITNESSES TO THE FAITH

APRIL 23 – MAY 2, 2019

A CATHOLIC PILGRIMAGE IN A CHANGING CHINA

Visit sites where Catholics today live out their witness to Christian faith in contemporary society, and where their forebears grounded that faith at the price of their lives. Our route takes us to Beijing, Shanxi and Hebei Provinces, Tianjin, and back to Beijing. We will visit some of China's premier cultural and historical sites along the way.
